Construction & Environmental Claims

Profile

My field of practice is common law civil but latterly has centred around multi-million pound personal injury and clinical negligence disputes. These have included cross-border cases with jurisdiction or similar points.

I have also undertaken a variety of construction, environmental, professional negligence and business-related cases.

I have extensive ADR experience and am an arbitrator and mediator.

What the Directories say

A well-respected silk with terrific experience in a huge variety of civil claims, including major clinical negligence cases. He is skilled on both the claimant and defence sides of cerebral palsy claims. "He has significant experience of handling high-value claims on a regular basis."

Chambers and Partners, 2019

An outstanding personal injury silk who regularly acts in multimillion-pound severe injury claims. He has been involved in many challenging cases involving injured children, which have complex aspects relating to future losses. He represents both claimant and defendant clients. "He is one of the most experienced QCs in Manchester, with a wealth of knowledge and expertise." "He is knowledgeable, firm in his opinions, good to deal with, sensible and realistic." Recent work: Represented the insurers in a case involving a three-vehicle collision which resulted in the claimant suffering complex injuries. The case concerned issues as to contributory negligence involving multiple medical issues.

Chambers and Partners, 2019

'A brilliant tactician.'

Legal 500, 2018

A well-respected silk with terrific experience in a huge variety of civil claims including major clinical negligence cases. He is skilled on both the claimant and defendant sides of cerebral palsy claims. "Very sensible, very well prepared and compassionate in dealing with defendants." "Extensive knowledge of birth injury cerebral palsy claims and quantum issues in such complex cases." "He is very meticulous and thorough."

Chambers and Partners, 2018

'He distils salient details in a comprehensible way.'

Legal 500, 2017

An outstanding personal injury silk who regularly acts in multimillion-pound severe injury claims, including accidents abroad. Alongside his technical skill, sources also extol his ability to put clients at ease, especially claimants in catastrophic injury cases. "An intellectual powerhouse. Always well prepared and good with clients." "He's probably the most capable personal injury silk on the circuit, and a pre-eminent civil advocate." "A highly intelligent silk with extensive knowledge and experience, capable of great innovation and extremely good with clients."

Chambers UK, 2017

A well-respected silk with terrific experience in a huge variety of civil claims including major clinical negligence cases. He is skilled on both the claimant and defendant side of cerebral palsy claims. "He has a calm demeanour. He's unflappable." "He is vastly experienced and this shows in everything he does. He is clever and able to assimilate large quantities of information quickly."

Chambers UK, 2017

A renowned silk who represents both claimants and defendants in high-value catastrophic injury cases. He has extensive experience with clinical negligence disputes and cases with an international component. (Personal Injury) "He is outstanding. He is extremely thorough and has a very sharp brain and he will always spot things that other people cannot." "His attention to detail is second to none."

Chambers UK, 2016

An influential silk with a commanding presence, handling claims of utmost severity including specialisms in cerebral palsy and catastrophic injury.(Clinical Negligence) "An outstanding performer."

Chambers UK, 2016

Veteran practitioner Stephen Grime QC has a heavyweight practice focusing on cerebral palsy and catastrophic injury cases. "He is pragmatic - he doesn't go round the houses, he cuts through all that and goes straight to the heart of the matter."

Chambers UK, 2015

Highly experienced silk with a strong specialisation in catastrophic personal injury work, often acting on behalf of defendants. He is cited as a "fearless" advocate for his clients."He does both claimant and defendant work, is very measured in his advice, and his judgement is very good." "He is tactically very able, with good client skills, and is a very approachable barrister.

Chambers UK, 2015

A great tactician and lateral thinker. (Personal injury and clinical negligence)

Legal 500, 2014

Is noted for his 'well-founded, practical advice

Legal 500, 2014

Has a broad personal injury practice which is principally focused on cases concerning catastrophic injuries. He impresses instructing solicitors, who note that he manages to be "highly intellectual", yet also extremely user-friendly.

Chambers UK, 2013

He is recommended by sources as "a great choice for heavyweight clinical negligence claims".

Chambers UK, 2013

At the top of his game. Highly skilled, hardworking and effective Counsel who can always be relied upon to handle the most complex of cases.

Chambers UK, 2012

Recommended for clinical negligence instructions.

Legal 500, 2011

One of the most rounded and able barristers on the Northern Circuit. His intelligence has prompted some to label him "a man with two brains".

Chambers UK, 2011

Cannot be rated too highly.

Legal 500, 2010

A very able advocate and specialist...An extremely impressive performer when it comes to clinical negligence work.

Chambers UK, 2009

At the top of his field...a terrific eye for detail.

Chambers UK, 2008

Grasps the most complex personal injury issues and gives clients the advice they need.

Chambers UK, 2008

Star silk.
