Colette is an established and versatile practitioner, specialising in Regulatory and Criminal work.

Regulatory

Colette is instructed by regulators, public bodies, insurers, companies and individuals. She has a specialised regulatory practice in the following areas:

Inquest – represented local authorities, individuals such as a prison officer, medical professionals and companies at inquests across a broad spectrum of issues. She is familiar with making submissions on the question of Article 2 inquests and with dealing with juries.

Health and Safety – particular experience in Fire Safety prosecutions including a wide range of issues under the Regulatory Reform (Fire Safety) Order. In her fire safety practice Colette is accustomed to the instruction of experts and subsequent presentation and challenge of said evidence. She represents the HSE as part of her appointment to the Specialist Regulatory Advocate at list C. In addition she has represented a local authority in an appeal against an improvement notice relating to crowd control outside of a large music venue in Manchester.

Environmental – particular experience defending in matters of water regulation and prosecutions. Additionally, she has advised a national fast food chain on matters relating to the Water Industry Act 1999 and a utilities company on matters relating to their

business.

Licensing - Experienced in providing advice and representation to Local Authorities, companies and individuals, on any licensing issue. These include Taxi, alcohol and entertainment, firearms and dangerous animals.

Professional discipline – Colette regularly acts for the GMC in cases before the fitness to practice panel in all aspects of professional discipline. These all involve the close analysis of detailed and complex material. She has defended nurses in the NMC, and represents individuals before the British association of sport and exercise sciences, and in SIA prosecutions. She has also presented for Social Work England in cases involving sexual misconduct, performance issues, abuse of trust.

Colette is recognised for her ability to deal with expert evidence and has provided training to HSE experts and investigators. Colette takes a detailed approach to regulatory proceedings and is noted by clients for her written and oral advocacy.

Crime

Colette is an experienced defence counsel and prosecutor.

She represents clients across a wide range of offending with specialised experience in:

Serious violence

Sexual offences – including cases with vulnerable individuals, historic matters, illegal images cases involving expert evidence.

Large scale drugs matters – county lines conspiracy cases, large scale production matters.

Fraud

Domestic matters – violence, controlling and coercive behaviour

Driving cases - Colette has represented a number of high profile individuals including premiership footballers and rugby league players in relation to driving offences. She has also experience defending death by careless driving and causing serious injury by dangerous driving.

Colette is known for establishing an excellent rapport with clients and her technical legal ability. She accepts both legally aided and privately paying instructions.

Colette has a successful prosecution practice, regularly prosecuting CPS panel 3 cases. This includes cases of multi-handed violence, drugs offences and general crime. She is familiar with addressing a wide range of evidence including the use of sequence of events, cell-siting, DNA experts and forensic examination of computer devices.
