Colette is an established and versatile practitioner, specialising in Regulatory and Criminal work.

Regulatory

Colette is instructed by regulators, public bodies, insurers, companies and individuals. She has a specialised regulatory practice.

Inquest – represented companies, local authorities, medical professionals and other individuals such as a prison officer at inquests across a broad spectrum of issues. She is familiar with making submissions on the question of Article 2 inquests and with dealing with juries.

Professional discipline – Colette regularly acts for the GMC in cases before the fitness to practice tribunal. She has experience in dealing with a wide range of allegations including dishonesty, sexual misconduct, clinical issues, health matters. She has defended nurses in the NMC, and represented individuals before the British association of sport and exercise sciences, and in SIA prosecutions. She has also presented for Social Work England. Colette is appointed to the GMC panel of special counsel and has undertaken special counsel work for Social Work England.

Health and Safety – Colette both prosecutes and defends health and safety matters. She represents the HSE as part of her appointment to the Specialist Regulatory Advocate list. Colette has particular experience in Fire Safety prosecutions including a wide range of issues under the Regulatory Reform (Fire Safety). Colette is accustomed to the instruction of experts and subsequent presentation and challenge of said evidence. She will often deal with matters from an early stage, providing clear and realistic advice from the outset of proceedings in conference and in writing.

CQC – Colette undertakes work relating to the care quality commission and its associated powers such as the use of enforcement notices, warning notices and cancellation. She has experience dealing with lengthy appeals and providing extensive written submissions.

Environmental – Colette has particular experience defending in matters of water regulation and waste prosecutions. Additionally, she has advised a national fast food chain on matters relating to the Water Industry Act 1999 and a utilities company on matters relating to their enforcement powers.

Licensing – Colette is experienced in providing advice and representation to Local Authorities, companies and individuals, on any licensing issue. These include Taxi, alcohol and entertainment, firearms and dangerous animals.

Crime

Colette is an experienced defence counsel and prosecutor. She appeared in a cases involving sexual offences, violence, drugs offences, fraud, driving matters. Colette is experienced dealing with vulnerable individuals and evidentially complex matters, and has completed the vulnerable witness and RASSO training. Colette is a CPS level 3 prosecutor. She also has experience dealing with matters of legal privilege.
